Residents at 133 Market Street can be provided with either separate or co-working office spaces, all with a diverse range of business amenities - a very appealing prospect for SME's in need of a new home. This business hub boasts raw Tasmanian Oak timber screens, polished concrete and steel elements that are complemented by artwork and lush greenery - guaranteed to impress. Tenants will benefit from 24 hour accessibility, consequently, you and your team can access their work spaces regardless of weekends and holidays. Users of this business centre enjoy access to fully featured video conferencing facilities, promising a means of communications that becomes invaluable for situations when a physical meeting is not practical. So don't delay - book a viewing of these work spaces as part of your office quest and experience first-hand the level of provision and facilities that could be yours.

## Location

These office suites can be found in the heart of South Melbourne Village, that is just a stone's throw from some fantastic cafes, transit hubs and the bustling CBD. This location is also well-placed for some excellent dining venues - about 10m from the door is WJ Wills Eatery, a lovely place for snacks and meals when the work day is done. Employees who appreciate a spot of shopping during lunch-breaks can take advantage of the fact that the South Melbourne Central Mall is only 80m on foot, as are numerous other world class shopping outlets. The area is rich with tram stops and Essendon is the most convenient airport for this area, being approached after just an 18 minute drive. With its mix of great value, multiple transit options and a prestigious address in a 'ready-to-go' package, it would be difficult to locate a better prospective home for business in Melbourne.
