Stationed on the 14th floor, this versatile executive hub is able to provide a fully serviced package that exemplifies what most modern companies are looking for. The building is installed with all the facilities and services your company could need to hit the ground running. The on-site management support team help to make sure that the building is optimally productive for all that call it home. They stop at nothing to provide a well-oiled office provision that is conducive to growth and that promotes the balance between well being and productivity. This serviced office centre also provides its tenants with state-of-the-art remote conferencing facilities, promising a means of communications that becomes invaluable for times when a physical meeting is not practical. Other inclusive amenities consist of office cleaning services, a kitchen, elegant interiors and access to other centres world-wide, creating a centre provisioned to fulfil the needs of an up-and-coming business.

## Location

This business centre can be found in a highly connected area of the city, granting quick access to the nearest subway and ensuring travel to all corners of the city is an enjoyable experience. This business hub offers lots of eating options, including Thinh Van Nguyen, no more than a quick walk away and highly regarded by those that work in this area. For commuters, there are a number of tram services frequenting the area every few minutes as well as close proximity to both Flinders Street and Flagstaff railway stations. Melbourne Airport is the best option for air travel to the property and is approached after a 24 minute car journey. This finely-tuned mix of amenities and position ensures that this office hub at 330 Collins Street is a highly desirable prospect for companies of all types.
