Location

Collins Street is one of, if not the most, highly sought after locations in Melbourne for growing enterprises, thanks to the abundance of nearby amenities and public transport options. This location is also strategically placed for some excellent dining venues - roughly 20m away you will find Brown Bagels, which is a great spot for snacks and meals after a hard day's work. For those commuting to the office, parking spaces are available in the basement and there is an adjacent taxi rank. You will also be based just two blocks from Flinders Street rail station. Melbourne airport is no more than 23 km from the centre by car, and is reached via the M2 in 22 minutes. All these attributes means that this

office provider would make a 'hard-to-beat' option for companies of all types.
