## Location

This centre occupies a town centre position, offering quick access for all the shopping venues, cafes and transport routes that are to be expected in such a desirable location. These premises are walking distance from an excellent variety of food outlets, a good example of which would be Sakura Japanese, merely a 1 minute walk away and something of a favourite with those that work in this area. Within no more than a 2 minute walk from this location you come across Bank Resona Perdania and Bank SMBC, delivering plenty of financial support and services that is essential to start-up firms. Soekarno-Hatta International Airport is just 27 kilometres from the door using the Jakarta inner ring Road and Jl. Tol airport Prof. Sedyatmo or around 26 minutes drive drawing many international organisations to this location. Bringing together competitive rates, convenience and numerous local amenities in a single package, it would be a struggle to pin-down a more suitable home for a venture in Jakarta.
