## Location

With the diverse selection of amenities and public transport routes, Bang Na district offers a gateway to Thailand's Industrial Heartlands and is an advantageous location for any developing enterprise. Employees who appreciate some

retail therapy during their down-time will be pleased to hear that the Coast Village shopping mall is no more than 150m from their door, as are a good selection of other restaurants and shops. For those who wish to get the most out of their break times, Thai Meteorological Department Learning Museum is merely a 3 minute journey on foot from here and offers a fun but fascinating experience. Bang Na BTS Station, which you can find only 230 metres from the building, provides easy access to the rest of the region and beyond. Suvarnabhumi Airport is about 29 km from the door which translates to about 31 minutes drive and attracts many multinationals to this area. Demonstrating manageable costs, transport convenience and prestige in a single package, you would be hard pressed to find a better home for a venture in or around Bangkok.
