Relish the spectacular views across Jakarta from this superb business hub on the 40th floor which is due to open soon. The work space boasts large windows, contemporary interiors and a wealth of natural light with suites benefiting from round the clock secure access. These premises are provisioned with a superb meeting/conference room, providing all that's needed for a collaborative and focused meeting with your staff team. Residents at this building further benefit from access to sister centres all over the globe that are linked with this one, making this an attractive proposition for business travellers who'd benefit from a place to work whilst overseas. Additional services and amenities include flexible contracts, administrative support, in-house restaurants and fast internet connections, making this one of the most thoughtfully designed centres in Jakarta.

Location

This office provider can be found in a well connected position with a direct route to the nearest tube station, making journeys to other parts of the city fast and simple. This district of Jakarta boasts a great mix of food outlets and places for your guests to stay, for example, the Cafe Hope Inn Hotel, positioned just 290 metres away and reachable on foot in about 6 minutes. For staff who are keen to fully disengage from work whilst on their break times, Museum Satria Mandala is but a 3 minute journey on foot from here and grants an enjoyable yet interesting way to spend an hour. The centre has a range of eating options within easy walk - just 250 metres from the door is Soto Ayam Lamongan, a lovely place for winding down with some food after a productive day in the office. This location is conveniently accessed from Soekarno-Hatta International Airport, which is no more than 28 km away and is reachable in 27 minutes by way of the Jakarta Inner Ring Road. Bringing together very reasonable rental rates, transport convenience and a prestigious address in a 'ready-to-go' package, you'd struggle to find a more desirable home for a venture in the Jakarta area.

Points of interest within 1000 metres
