Epicentrum Walk boasts an extensive list of handy amenities and specifically tailored contract agreements for firms that need to get off to a quick start with minimal setup costs. For companies who value the chance to get to work without delay, these offices could be perfect due to the fact they are fully furnished and are primed for action. Tenants of this building are in receipt of on-site IT support by way of a knowledgeable but friendly team of technical experts who are always on call for those 'system meltdowns'. With this level of corporate amenities and facilities on offer, you would be lucky to find a more balanced workspace in Jakarta at this price point.

Location

Stationed at Jl. Hr. Rasuna Said, these offices are an option worth investigating for organisations that require a mixture of both a top-class business location and justifiable costs in the prestigious office district known as "Kuningan Area". Members of your team who appreciate a spot of shopping during lunch-breaks will be glad to hear that the Epicentrum Walk shopping mall is approximately 110m away, door to door, as are a good selection of other world class shopping outlets. This business hub offers loads of restaurants, such as Kafe Betawi, just a 3 minute hop and very popular with its customers. There are several bus stops nearby and Soekarno-Hatta International Airport can be found approximately 33 km door to door using the Jakarta Inner Ring Road which is equivalent to roughly 35 minutes in the car at off-peak times. This winning mix of amenities and position ensures that Epicentrum Walk can claim to be one of the most highly acclaimed locations for firms of all shapes and sizes.
