Boasting a unique Art Deco style, this innovative building at EV Hive Filateli was influenced by John Van Hoytema and would be a good point from which to kick off the hunt for new office space provider in Jakarta. The highly trained support staff help to make sure that the facility is operating at full capacity for all that call it home. They strive to promote a peaceful atmosphere that ensures a balance of productivity and well-being. This executive centre is also provisioned with highly specified video conferencing suites, supplying a means of communications with sounds and visuals for times when a physical meeting can't take place. Other features and amenities made available by this centre include a recently updated interior decor, assistance from multilingual staff, a call answering service and a tastefully designed board room.

## Location

Pinpointed at Jalan Pos, close to Pasar Baru, these offices occupy a convenient district of Jakarta, that's surrounded by retailers and dining places and grants direct access to multiple transit routes. Kantor Pos Filateli Indonesia post office is only 110 metres from this location, alongside a whole host of other business friendly amenities and local/national travel options. A great advantage of this region of Jakarta is the provision of places to relax and soak up some culture. Merely 170m from the door is Gedung Kesenian Jakarta, a great opportunity for a bit of relaxation with colleagues and business partners and is walkable in no more than 3 minutes. This centre is conveniently accessed from Soekarno-Hatta International Airport, which is about 28 km away and can be driven to in only 31 minutes via Jl. Tol Pelabuhan. This combination of world-class services and prestigious business address ensures that EV Hive Filateli should be viewed as one of the best business locations in Jakarta for enterprises large and small.
