This superb business centre has been thoughtfully designed to unite entrepreneurs and small organisations within a driven and enriching working environment. Featuring exposed brick walls, large windows and spectacular views, this office hub is sure to impress. Companies working from this centre also benefit from a world-class management support staff, who are on call to work on the management tasks required for a friction-free office environment. In addition to this, they help promote a situation in which tenants can focus on the task of doing business. This office hub is also equipped with a peaceful corporate lounge, which provides somewhere to recover after the challenges of the desk as well as a chilled space in which to chat with friends over a drink. With so many provisions at such attractive rates and flexible terms, this office space solution is definitely worth paying attention to if you are seeking a workspace in Jakarta.

Location

Found at EV Hive Satellite Central Park, this business centre is perfectly placed for organisations in need of just the right combination of a premium place to do business and competitive rates. With Tarumanegara University, BINUS University, Trisakti University and Krida Wacana Christian University within close proximity, there is a rich talent pool for potential employees and corporate associates. Staff members who like an excuse to shop whilst on breaks will be pleased to know that the central park mall shopping centre is only 110m from this centre, as are numerous other shops and leisure opportunities. Soekarno-Hatta International Airport is around 21 km from the centre by car, and can

be reached via the Jl. Tol Prof. Sedyatmo and Jl. Tol Airport Prof. Sedyatmo in 25 minutes. The combination of these factors ensures that EV Hive Satellite central park would make a 'hard-to-beat' option for modern, productive businesses, regardless of sector.
