Delivering an office package including climate control, tastefully furnished interiors, recently renovated interiors and a hot desking option, these suites make an excellent home for even the most demanding modern business. Available upon request, service users can also take advantage of highly provisioned conference/meeting rooms that are filled with natural light and contemporary interiors, making them guaranteed to impress. This office provider is also endowed with 'all hours' access that is monitored 24/7 by security personnel, resulting in high levels of productivity and convenience. Additional features and facilities include an executive lounge, reception desk services, housekeeping services and the use of copy machines, coming together to shape a truly modern business centre.

## Location

Pinpointed at Jalan Tulodong Atas, this office hub benefits from a strategic South Jakarta address close to GBK City park and the exceptionally convenient highway, Jl Tol. Cawang Grogol. The facility has a range of food options within easy walk - no more than 100 metres from the door is La Luce, a popular location for winding down with some food after a productive day in the office. William's casual dining is situated within the building and is perfect for grabbing a delicious lunch without even leaving the building. Soekarno-Hatta International Airport is no more than 29 km from the centre by car, and is approached using the Jakarta inner ring Road in 29 minutes. Mixing low overheads, transport convenience and several local amenities in one attractive package, you'd struggle to find a better prospective home for business in the Jakarta area.
