Tenants are offered a selection of well designed executive office suites and open plan areas at this sought after business hub, which is ready to facilitate the full gamut of business specifications. Co-working spaces are spread across five floors and there is a spectacular event space that can be used for a variety of purposes and can accommodate more than 50 people. The offices here are provisioned with meeting facilities, providing all you might need to enable a collaborative and focused session with your clients and staff. Firms at this centre are provided with administrative support from a highly trained team, who are focused on keeping the facility running smoothly at all times. Also included is high speed internet connections, a phone access system, administrative support and a regular office cleaning service, making this an establishment provisioned for the needs of modern business.

- VOIP telephony
- VPN
- Wifi
- Wireless networking

Location

Found at Kimberley Street, these executive suites are situated in a convenient part of Hong Kong, that is close to a selection of coffee shops and fast-food outlets as well as having direct access for several bus routes and other transit options. In the case of tenants that regularly need to find places to stay during meetings and conferences, these offices are ideal. There are some very good options at your disposal, by far the handiest is the Gau Lung Wong Jyut Zau dim hotel, which can be reached on foot from this location within 1 minute. The centre has a range of eating options within easy walk - approximately 10m from this centre can be found Zong Jyun Hon Gwok Liu Lei, a lovely place for winding down with some food after a productive day in the office. Tsim Sha Tsui MTR station is located just a couple of minutes away and Hong Kong International Airport is just 35 km drive from the centre and is reached via the Route 8 in 28 minutes. With its mix of very reasonable rental rates, convenience for commuters and a well respected postcode in a 'ready-to-go' package, it would be difficult to find a more appropriate location to do business in the Hong Kong area.
