This office hub includes a selection of both co-working areas and executive office suites, with the result that it would be an adaptable proposition for a wide array of corporate sectors. Organisations located here are guaranteed a 'hassle-free' existence thanks to a superb in-house management support team, who are ready and willing to deal with the management tasks involved with running an efficient office space. They also help to ensure residents can keep their attention firmly on the act of buying and selling without distraction. The office areas come with highly flexible lease agreements helping to make sure the individual needs of every resident are catered for at a reasonable cost. The centre regularly hosts networking events and workshops while also benefiting from an in-house library and excellent conference facilities. With all that it offers and with so few overheads, this centre is definitely worth exploring if you are in the market for a new place of work in Jakarta.

Location

This centre occupies a wonderful area of Jakarta, within walking distance of an assortment of fantastic cafes and coffee shops, where staff can indulge in some delicious food at the end of the day. This location is perfectly positioned for loads of restaurants, the nearest of which is Uncle Roods, which is a 2 minute stroll away and highly regarded by its customers. There are also a selection of vibrant cafes just a few steps from the door such as Barcode and Secret Recipe which are perfect for appreciating a revitalising coffee during your breaks. For companies that frequently need to put up visitors, this office centre is well catered for. There are a few good choices nearby, the closest being the Amaris Kemang Hotel, which can be reached by walking from this location in approx 2 minutes. For companies and employees that are required to travel, the airport is but 33 km by road, a journey of roughly 36 minutes depending on traffic conditions. With such great access to both public amenities and transit options, this centre can be classed as a superb option for organisations based in or looking to move to Jakarta, and should not be ignored when weighing up which would be the best new work space for your company.
