This versatile executive hub is able to provide a serviced package that truly raises the bar. The building is packed with all the facilities and provisions a company might look for in order to succeed in Jakarta. A highly efficient reception team can be counted on to assist in ensuring guests and new arrivals are greeted with a smile and supplied with the information they need, be that directions to your offices or a delivery signature. The building grants access to teleconference equipment, providing a communications platform that becomes invaluable for times when a physical meeting is not practical. Other features and amenities made available by this provider encompass vehicle parking, a copy centre, an in-house restaurant and flexi-desk space.

Location

This complex is situated in a highly sought after area of Jakarta, a stone's throw from several dining options, where staff can enjoy a change of scenery during breaks. Known primarily as being a world-class business location, these offices also sit in a district of Jakarta which is coming down with options for relaxation and leisure. The express shopping centre is but a 8 minute journey on foot, making it an ideal destination for indulging in a spot of lunchtime shopping. This business hub offers plenty of eating places, including Rumah Makan Ratu Minang, just a 3 minute walk away and something of a favourite with all that visit. Positioned just 18 minutes from the door, Soekarno-Hatta is the closest airport to the property and entices many international firms to the area as a result of it's excellent connectivity. All these attributes means that Jl. S. Parman Kav. 28 would make an attractive proposition for firms of all shapes and sizes.
