## Location

The offices at this centre inhabit a sought after locality of Jakarta, that's just a stone's throw from retailers and dining places and provides direct access for a variety of transit options. Another benefit is the selection of eating options nearby - about 100 metres from here can be found Parecu Yakiniku & Shabu Bufet, a well-liked establishment for winding down with some food after a long day in the office. Soekarno-Hatta International Airport is no more than 31 km from the door on the Jkt Outer Ring Road - about 33 minutes in the car on a good day. With such great access to both public amenities and transit options, this office centre can be classed as an obvious contender for firms in Jakarta, and should not be ignored when looking at new office possibilities.
