If your company is in search of an excellent value office provision in Hong Kong, then Radio City is an attractive possibility. Offices are positioned on the 15th floor and boast a bright and airy atmosphere that is essential for enhancing productivity and motivation levels. Users of these premises can also benefit from the use of well equipped meeting facilities, which are provided if needed and complemented by an experienced IT support team who ensure your business is operating at full capacity. Residents at this centre enjoy the use of secure access in the form of a staffed reception desk, where guests are welcomed and provided with a pointer towards their destination. With so many great provisions and services on offer, this office centre is in a great position to serve up just what's needed for an up-and-coming company to grow and develop in Hong Kong.

Location

This centre is situated in an easily reached area with an abundance of public amenities and handy transport hubs situated within walking distance. This business hub offers an array of bars, cafes and restaurants, the nearest of which is Naam Coeng Maan Tau Dim, little more than 11m from the door and highly regarded by the locals. Causeway Bay metro station is to be found less than 5 minutes from here and grants efficient and affordable links to the rest of the city. For companies and staff that need to make frequent trips abroad, the International Airport is no more than 42 km by road, a drive of about 32 minutes assuming regular traffic conditions. Thanks in so small part to its enviable position, this office space provider is an obvious contender for organisations based in or looking to move to Hong Kong, and is an essential visit as part of your office search.
