Tenants are offered an exceptional selection of pre-furnished private offices and collaborative work areas in this sought after business centre, which is provisioned to facilitate a whole host of corporate sectors. These office suites benefit from secure access at all times, meaning tenants can utilise the work areas at times to suit them. This hub has been thoughtfully designed for improving efficiency and reducing overheads - perfect for freelancers and start-up firms alike. This executive centre grants access to videoconferencing suites, delivering a means of communicating with sounds and visuals for when an on-site conference can't take place. Additional features and facilities include a fantastic outdoor space, premium ground coffee, state-of-the-art surveillance facilities plus a comprehensive printing system, making this a fantastic and well-rounded package.

Location

The offices at this centre can be found in a strategic location in Hong Kong, based in the heart of the political, financial and business district of Hong Kong City. You will be in the midst of more than 100 banks and are perfectly positioned for a great variety of dining options, the nearest of which is Ceoi Waa Caan Teng, just a 1 minute walk away and very popular with all that visit. For companies and employees that are required to travel, you can find a number of ferries, trams, metro and bus routes within close proximity while the airport is but 38 km by road, a journey of roughly 27 minutes depending on traffic conditions. Demonstrating great value, nearby shopping outlets and a prestigious address in a 'ready-to-go' package, you'd struggle to come up with a more suitable home for a venture in the Hong Kong area.
