Tenants can choose between either self-contained or co-working work spaces, supplying a diverse range of business amenities - a very appealing solution for all types of company. Be a part of this collaborative environment which promises a creative and friendly atmosphere that promotes growth through sharing with others. This centre is also set up to offer use of a conference room, fitted-out with all that's needed for a comfortable and focused discussion with your clients. The business centre prides itself on IT support by way of a professional yet approachable technical team, ready to solve even the most demanding of issues. With this level of business amenities and corporate equipment on offer, not to mention the flexible terms, you would struggle to come across better equipped office package in Jakarta at this price point.

Location

Situated in South Jakarta, in close proximity to all the shopping venues, dining places and transport connections that you would expect to find in such a prestigious area. These office suites provide easy access to lots of eating places, such as Jala-Jala Restaurant, just a few steps away and a real hit with those that work in this area. For organisations and employees for whom international travel is a regular occurrence, the airport is only 31 kilometres by road, a drive of about 33 minutes on a good day. Demonstrating low overheads, convenience and a top business address, it would be difficult to find a more suitable place to do business in the Jakarta area.
