Due to open soon, this contemporary office hub provides a creative and dynamic working environment that encourages productivity through collaborating with like-minded professionals. Organisations located here can take full advantage of a professional team of support staff who are dependably available to deal with everything needed to maintain a friction-free office environment. In addition to this, they help promote a situation in which tenants are able to focus on the job in hand. This centre also provides its tenants with teleconference facilities, providing a communications platform that becomes invaluable for occasions where a meeting in person is not practical or possible. There is even a wellness room for those hoping to meditate, pray or nurse. Book an introductory tour of these offices as part of your quest for new offices and see first hand the standard of provision and amenities that are on offer to tenants.

Location

Nestled in the heart of Jakarta's dynamic start-up hub, this business centre enjoys a highly strategic location which lies within close proximity to a selection of shops, hotels, banks and eateries. Citywalk Sudirman mall is a mere 10 minute stroll from the door and boasts a whole host of superb shops and restaurants. For businesses that frequently need to put up visitors, this centre has you covered. There are a few good choices nearby, probably the easiest to reach being the St Regis Hotel & Residences Hotel, walkable from this location in approximately 1 minute. This location is quickly accessed from Soekarno-Hatta International Airport, which is just 29 km away and can be driven to in only 28 minutes by way of the Jakarta Inner Ring Road. Thanks in so small part to its enviable position, this office centre would be a superb option for companies based in Jakarta, and should not be overlooked if you are hunting for a new office provider.
