Housed within a prime multi-use development, your business will benefit from an array of on-site amenities including joining apartment and commercial developments that have been created upon the concept of sustainability. Suites are situated on 18th floor and make the most of the fantastic views with floor-to-ceiling windows which flood the facility with natural light. You will be able to access the building day or night, monitored by 24-hour security staff, while enjoying use of the sophisticated meeting room which is perfect for projecting a good corporate image for your business. All of this is enhanced by friendly and professional staff, including a receptionist, who are at hand to assist as and when you need them in order to minimise the stress of running your own business.

Location

South Quarter boasts a fantastic location in South Jakarta, nestled among a 7.2 hectare area which maintains 80% of open space while providing superb amenities to make this site more than just the average workplace. These towers are economically designed to respond to the climate and therefore reduce energy consumption while offering an assortment of restaurants, offices, shops and residences without having to even leave the premises. Commuters will benefit from a direct entrance to the highway that leads to Soekarno-Hatta International Airport within a half an hour drive and close proximity to the MRT Station.
