With its comprehensive provision of corporate services, this office provider makes for the perfect location to kick off a quest for office space in Hong Kong. All guests are met by the friendly reception desk staff, whose job it is to ensure they are pointed towards their destination and that you are notified of their arrival. You will be in receipt of printing/copying facilities, administrative services plus experienced IT support to make sure that your firm is up and running at all times. This serviced office centre also benefits from ultra modern conferencing facilities, ideal for staff meetings, training sessions and collaborative sessions. With so many fine amenities and business services included as part of the package, it would be a struggle to find a more rounded office provider in Hong Kong or the surrounding areas.

- Wifi
- Wireless networking

Location

The building is to be found in an easily reached area of causeway bay which is home to a dynamic and energetic corporate community. You and your staff will be perfectly positioned just a short hop from beautiful parks and the awe-inspiring waterfront. As well as being a world-class place to do business, these offices also sit in a part of Hong Kong that is full of options for relaxation and leisure. The Lei Jyun Dai Jat Kei shopping mall is only a 1 minute journey on foot, making it a great prospect for some lunchtime retail therapy. This location is in a good place for plenty of restaurants, the nearest of which is Dung Wu Gam Gok, no more than a 1 minute walk away and very popular with the locals. The vicinity is well-served by bus and tram routes, not to mention the nearby ferry terminals and causeway bay station is just a short stroll from the door. Combining very reasonable rental rates, nearby shopping outlets and prestige in a 'ready-to-go' package, it would be difficult to find a more befitting place of work in Hong Kong.
