Location

These offices can be found in a position at the heart of town, near to all the shops, eating places and transportation options that are to be expected in such areas. You will be a mere stone's throw from the beautiful Dubai Creek which you can enjoy views of from this business centre. This district of Dubai is blessed with an assortment of dining venues and sleeping options, for example, the Naia hotels and resorts hotel, which is located 440m from these offices and reachable on foot in about 9 minutes. Another benefit is the range of eating options nearby - approximately 10m from here can be found Fish Gallery Restaurant, a well-liked establishment for winding down with some food after a hard day's work. With Dubai International Airport situated just 17 minutes from here, this office facility is perfectly positioned for those who tend to travel overseas. Commuters can take advantage of the short distance to the bustling E44 and business bay metro station. Mixing great value, nearby shopping outlets and a sought after postcode in one attractive package, it would be nearly impossible to unearth a more suitable location to do business in or around Dubai.
