Dominating the skyline, this prestigious sky scraper delivers an impressive and creative workspace which offers an attractive package for companies hunting for a truly turnkey solution. This centre has all hours access, meaning tenants can benefit from the work areas without having to worry about opening times. Users of this building benefit from access to a network of hubs in several countries that have a shared access arrangement - a fantastic provision for travelling business people with the requirement of a desk and internet connection when they're abroad. Additional services and amenities made available here encompass a comfortable lounge area, in-house restaurant, friendly reception team and flexible terms which are tailored to your individual corporate requirements.

Location

Collins Street is one of, if not the most, highly coveted addresses in Melbourne and is surrounded by all the shops, cafes and transport routes that are synonymous with so central an area. This area of Melbourne prides itself on a good variety of dining venues and sleeping options, such as the Le Meridien at Rialto Melbourne Hotel, which is only 10m from the door. Nearby attractions include the Immigration Museum, SeaLife Centre, Photography Museum and the Botanica Day Spa, all of which are situated just a few steps from the building and offer an enriching way to spend your time when away from the desk. Melbourne airport is just 22 km from the door on the M2 which translates to about 22 minutes in the car on a good day. With such great access to both public amenities and transit options, this serviced office hub is a superb option when it comes to searching for workspace in Melbourne, and is an essential visit as part of your office search.
