This fantastic office center is a good example of what 21st century office space should look like. It is positioned on the third floor of a prestigious 27-storey a grade office tower and comprises of contemporary workshop space. This center also provides its tenants with fully equipped conference rooms, ideal for group meet-ups, seminars and collaborative group work, while boasting high speed WI-fi and broadband internet connections. So don't delay - timetable a viewing of these offices from which to begin your journey towards new offices and experience for yourself the quality of equipment and facilities that are on offer.

Transport links

- Nearest railway station: 香港 Kwai Hing (489 metres)
- Nearest airport:

Key features

- 24 hour access
- Conference rooms

Location

Sited at Castle peak road, these suites are worth investigating for firms that need a good balance between a top location and justifiable rents. With four parks located less than 500m away, there is plenty of opportunity to indulge in a peaceful lunchtime stroll or revel in the tranquil atmosphere that most business centers are unable to deliver. The surrounding district is home to a wealth of public transport options including Kwai Hing railway station, only 490 meters away. Hong Kong International Airport is just 27 km door to door via the Route 8 or around 21 minutes by car if congestion isn't too bad. Mixing moderate overheads, convenience and a sought after postcode, it would be difficult to locate a better proposition for business in Hong Kong.
